Gesipa® Taurus® 2 Speed Rivet

Setting std. speed rivets up to 6.4mm Ø

Gesipa® Taurus® 2 speed rivet is a high performance air hydraulic rivet tool, designed for rapid installation in various assembly applications in the manufacturing industry. It has the same modular body as the Gesipa® Taurus® 2 blind rivet gun, but uses speed rivet technology, preloaded rivets and automatic fastener feeding. This tool can set up to 60 rivets per minute. Made in Germany with 12 month warranty.

Setting Capacity

* Standard speed rivets
